

Leading Indigenous artist Vernon Ah Kee is known for his incisive critiques of White Australian culture. In the Cant Chant exhibition he takes on the iconic subject of the beach and casts a critical eye on its special role in forming Australian identity.

HAVE YOUR SAY: WASTE MANAGEMENT STRATEGY

Have your say in the development of a new Waste Management Strategy. Complete the brief Community Survey on how you currently use the available waste services. Find the survey online at Council's website www.pmhc.nsw.gov.au/wastestrategy or fill in a hard copy from Council offices and libraries. An Online Discussion forum at www.pmhclisting.com.au/wastestrategy explores more in depth opinions about expectations and pricing the waste services. Both consultations are open until Friday, August 5th 2011.

CALL FOR INTEREST: SHARED FOOD PROCESSING FACILITY

Port Macquarie-Hastings Council is calling for interested businesses in the retail, hospitality, wine, tourism and farming industries, who have value-adding as a key part of their growth strategy, to trial a Shared Use Kitchen Incubator (SUKI) located in the canteen area at St Columba Anglican College. The facility aims to attract early stage businesses that need a low cost option to process or prepare their food in an approved facility. If the trial is successful, the facility will expand into a larger premises with a range of specialised food processing equipment. During this incubation phase, a range of small business assistance will be provided. After the incubation period, when the business is established, tenants will move into their own premises.

THINK BEYOND THE SINK

Flushing cotton tips down the toilet can cause significant sewer blockages along the network and equipment failure at sewage treatment plants by jamming pumping equipment.

Never flush nappies, sanitary items, incontinence pads, baby wipes and condoms down the toilet. All of these items should be wrapped and disposed of in the RED bin.

Everything that goes down your kitchen, bathroom and laundry sink, and toilet, is considered sewage.

All of it makes its way to Hastings sewage treatment plants where it is treated to environmental standards. You can help keep this system working effectively by keeping it free of waste that should be placed in the bin.
