## PARKING WORKSHOPS

Registrations are now open at [www.pmhc.nsw.gov.au/parkingreview](http://www.pmhc.nsw.gov.au/parkingreview) for a series of community workshops being conducted next month as part of the formal Parking Strategy Review.

The workshops will not only allow community members to contribute to the preparation and outcomes of the Parking Strategy, they will also help increase community awareness of key parking issues and trends. Workshop participants will be encouraged to think about what parking facilities and policies currently operate in the Hastings, what facilities they would like in the future and how we get the changes or improvements that lead to these outcomes.

The four two hour workshops are scheduled for October;

- Laurieton United Services Club, Thursday 7th October 2010 commencing 7:00pm
- Wauchope Senior Citizens Centre, Wednesday 13th October 2010 commencing 7:00pm
- Port Macquarie Race Course, Thursday 21st October 2010 commencing 1.00pm
- Port Macquarie Race Course, Thursday 21st October commencing 5.30pm

## BUDGET ALLOCATOR

How would you spend the Council Budget? Port Macquarie-Hastings Council is seeking the community's input into services and spending as part of the Towards 2030 Integrated Planning Framework.

Budget allocator is an interactive online tool that helps explain the competing financial priorities Council face and allows you to shuffle the general rate fund between service areas and visionary projects. Submit your budget to Council and help influence future planning. Budget Allocator is live at [www.pmhclisting.com.au/budgetpriorities](http://www.pmhclisting.com.au/budgetpriorities) until September 24.
