## FROCKTOBER 2009

During October many Council staff threw on a frock for a good cause, even some of the guys! Frocktober is a fund-raising initiative aiming to raise money for the Ovarian Cancer Research Foundation (OCRF). Frocktober is all about increasing the public's awareness of ovarian cancer and promoting women's health and well-being.

Ovarian cancer is the fourth most common cancer affecting women. Although it is less common than breast cancer, because it is usually diagnosed in its advanced stages, proportionally more women die from ovarian cancer. Council staff raised over \$2,500 for this important cause.
