<p>Google Grants</p>	<p>Google</p>	<p>These are unique in kind donation programs awarding free AdWords advertising to selected charitable organizations around the globe. The program helps NGOs use AdWords to reach people who are searching Google for information that is relevant to their organization. Key word targeted text ads labeled 'sponsorship links' appear alongside or above Google search results. Clicking an ad takes the searcher to the organisation's website. Google grants ads that are run through AdWords, the ongoing, self service program used by paying Google advertisers. Participating grantees set up an account, create their ad campaigns and are responsible for its ongoing management. Active management of a Grants AdWords account means your account contact must be responsible to email requests from Google's team and log into your account monthly to review campaign performance and make updates. To help participants run successful campaigns the Google grants help centre features user guides, tutorials, and other resources created specifically for grantees as well as a Google Grants help Forum for a discussion about managing</p>	<p>Ongoing</p>
